Whoopee! Haircuts Are 25c Shaves 15c In Pahokee

Whoopee! The war's over! That is the second world war is over but another one was declared on Monday in Pahokee that is going to mean money in the jeans of John Q. Citizen. A barber war is in progress and citizens are flocking to barber shops in an effort to take advantage of the extremely low prices.

On Monday morning of this week Batchelor's Barber Shop in Pahokee posted prices of 65c for a haircut with the usual 50c for a shave. Prices for years have been \$1.00 for a haircut and 50 c for a shave.

Not much sooner had the word spread about the new low haircut price when Gene Butler's Barber Shop, up the street a bit, posted new and lower prices—haircut 25c and shave 15c. Gene and Irwin Maylor operate his shop in the daytime hours and starting at seven in the evening up until nine o'clock Gene brings two barbers from Belle Glade—Dorsey Pugh and Davis Kickliter—to continue with the business at the new low prices.

In Canal Point up until Thursday of this week everything was quiet and serene on the tonorial front. Morris Adams in his shop was still clipping away at \$1.00 a head and 50c for a shave. Over on the canal front Melvin Pugh was holding the line in his shop at the same prices—\$1.00 for a haircut and 50c for a shave.

Many patrons of the barber shops have been of the opinion for many months that the price of a haircut should be lowered a bit. However, they never thought that their luck would be stretched to the point when they could buy four for the price of one.

Bond Election To Be Held October 11

Plans are shaping up for the bond issue election in the East Beach Water Control District, according to an official of the district. The election is scheduled for Tuesday, October 11 in the Pahokee City Hall and covers the entire City of Pahokee.

A schedule of taxes was shown in print last week and an official of the district pointed out that this schedule can be reduced at any time the money is not needed for maintenance of the district. A resolution by the board of supervisors can reduce the assessment; the official said.

Another interesting point made by the official was that the law controlling the district, is flexible to the point where the schedule of charges can be re-arranged in an equitable manner should the present schedule be declared invalid for any reason.

Mr. and Mrs. C. F. McQuaig, Jr., of Philadelphia, Pa., announce the birth of a daughter in a hospital of that city on Monday, Sept. 12. Mr. McQuaig, a former Pahokee resident, is the nephew of Mr. and Mrs. R. J. Schroder.

Glenn Bolton Is PHS Rotary Member

Glenn Bolton of Pahokee High School became the student member of the Pahokee Rotary club yesterday when he was introduced by Rotarian John Dulany. Student members are chosen by the faculty.

W. W. "Mac" McCurdy was welcomed into the club as a new member with the classification of "insecticides."

Dr. Tommie Forsee of the Everglades Experiment Station was guest speaker.

Foot Ball Starts In Lake Region On Next Friday Night

Foot ball in the Lake Region will soon be the order of the day. The boys have said night since the games are played under the lights in Pahokee and Belle Glade. Pahokee and Belle Glade coaches are putting their candidates through their paces this week in an effort to have them primed for the opening games next week.

The first game of the season will be between Pahokee and Clewiston on Lair Field in Pahokee next Friday night, Sept. 23. The second home game will see the Golden Rams of Belle Glade pitted against Vero Beach on the Belle Glade Field the night of Oct. 1. In the meantime Pahokee will go to Miami to play Ponce De Leon on Sept. 28 and Belle Glade will open their season away from home with New Smyrna Beach.

Below is the Pahokee Blue Devils Schedule for 1949.

Sept. 23 Clewiston	Home
Sept. 28 Ponce De Leon	Away
Oct. 7 Lake Worth	Home
Oct. 14 Delray	Home
Oct. 21 South Broward	Home
Oct. 28 Fort Pierce	Home
Nov. 4 Largo	Home
Nov. 11 Stuart	Away
Nov. 18 St. Theresa	Home
Nov. 23 Belle Glade at Belle Glade	Home

And here is the schedule of the Belle Glade Golden Rams:

Sept. 24—New Smyrna	Away
Oct. 1—Vero Beach	Home
Oct. 7—Open	
Oct. 14—Ft. Pierce	Away
Oct. 21—Gesu	Home
Oct. 28—Miami Beach	Away
Nov. 4—South Broward	Away
Nov. 11—Lake Worth	Home
Nov. 18—Delray Beach	Home
Nov. 23—Pahokee	Home

Tickets On Sale For Blue Devil Games

Blue Devil foot ball tickets will be on sale at Jones Hardware store in Pahokee from 9 to 10 a. m. and from 2 to 3 p. m., with Enmett Holt in charge of sales. Each ticket entitles the buyer to a reserved seat. The buyer can see six games for \$5.50.

Blades Of Grass Are Blown Thru Keyhole By Cane

The hurricane editor of this newspaper has heard many unusual tales about strange happenings during a hurricane. We've heard about splinters being driven through telephone poles, we've heard of feathers being driven through tin roofs and a lot of other things. Now we've heard another one that just about tops 'em all.

The story came from a supposed-to-be truthful gentleman of Pahokee—George Belk, groceryman. George tells the story about blades of grass—at least three inches long—being blown into his house through a keyhole during the recent hurricane. He emphasized the truth of the statement when questioned closely but his tall tale quieted all conversation on the spot.

GIRLS TO GRADUATE

Miss Mary Helen Hooks and Miss Peggy Moberg will graduate this month from the College of Laboratory Technology in Chicago, Ill., and plan to return to their homes in Canal Point and Miami Beach on Sept. 28. Mary Helen's parents, Mr. and Mrs. Delmar L. Hooks, plan to attend the graduation exercises.

Mrs. Jess M. Elliott is the guest of her brother-in-law and sister, Mr. and Mrs. E. L. Chapman, in Lakeland this week.

Sunday, Oct. 2, Is New Date For Airport Dedication

Work Continues On Vann Packing House

Workmen are busy adding several extra bents on W. H. Vann, Inc. packing house at the railroad crossing in Pahokee. Three bents were up recently when the hurricane flattened them. All of the lumber has been salvaged and again workmen are busy getting the building in shape for the coming season. A new roof already has been put on the packing house as a result of the recent hurricane.

Rabin Is Mayor Of Belle Glade; Beck Quits As Attorney

At a reorganization meeting of the city council in Belle Glade Wednesday night, Councilman Harold Rabin was chosen as mayor. Junius Harris was named as vice mayor. Recently elected members of the council—W. L. Collins, N. D. Lloyd and Junius Harris—were sworn into office by Peace (continued on page 8)

Sunday, Oct. 2 was the new date set by the county commission Monday for dedication of the recently constructed airport off Bacom Point Road near Pahokee. The original date had to be changed on account of the hurricane. The new date was set by the board after County Commissioner Paul Rardin said that everything would be in readiness by that time.

Total damage estimated at \$15,000 was caused at the Palm Beach International Airport (Morrison Field) by the August 26 hurricane, according to a report made Monday by L. B. Hickam, county aviation director, at the regular meeting of the county commission.

Mr. Hickam said that roof damage to buildings amounted to \$4,920, this being included in the over-all damage estimate, and he added that circumstances are such that the county will be forced to spend at least \$10,000 in the immediate future to bring about important repairs.

The recent storm damaged a number of buildings, Hickam said, some of them beyond repair and suitable only for salvage. He said that salvage operations are now under way and that considerable material can be saved from the wrecked and damaged structures.

Commissioner Paul Rardin, Canal Point, received favorable action on a request to spend \$100 of his district's publicity fund in the form of donations to the American Legion Posts at Canal Point, Pahokee, Belle Glade and South Bay, each Post receiving \$25.

Driver's Licenses Necessary By Oct. 1

Driver's licenses went on sale the first of the month and only a handful of people have taken advantage of the fact that they are available. Maybe, it was the hurricane or its after effects that kept folks from buying them. Anyway, come October first it will be necessary that each motorist have them. Also, as a reminder it will be necessary to take an examination after Oct. 1.

Mrs. Marvin Cowart is in the city hall in Pahokee daily and until noon on Saturday for your convenience. In Belle Glade the driver's permits may be secured at the Junius Harris Insurance Agency.

Mackey Rebuilding His Packing House

"We are busy making plans and getting ready to rebuild our packing house," Robert Mackey said yesterday. A lot of folks have been asking a lot of questions regarding Mr. Mackey's hurricane-wrecked packing house and the above statement is the answer.

Workmen have been busy for the past week clearing away the old wreckage and within the next few days carpenters will get busy erecting a new house on the present platform and foundation.

Trees Along Glades Roads Should Be Topped With 12 To 14 Ft. Remaining

The State Road Department has had a couple of cranes busy all this week removing Brazilian Oaks (commonly called Australian Pines) from the canal between Pahokee and Belle Glade. The trees are a menace to canals, roads and most anything with which they come in touch. There is no way figuring how much they have cost the taxpayers of Palm Beach county and the State of Florida.

The trees are being dragged across the highway and put into piles where they will, in all probability, be burned or hauled away when the department finds itself with the necessary time.

The 20-mile stretch of highway between Canal Point and 20-Mile Bend had hundreds of trees across the highway the morning after the hurricane. The road between Belle Glade and Pahokee—10 miles—was blocked from one end to the other by fallen trees. Many were down from Belle Glade to South Bay to the Hendry County line and others were across the road between Belle Glade and Six Mile Bridge. The four mile stretch of highway between 20-Mile Bend and Bridge 44 near Loxahatchee was blocked with more of the fallen and twisted trees.

The trees were cleared from the highway with convict labor from the Indiantown camp of the State

Road Department. The crews have done an excellent job but there remains a lot more work to be done. Not only are the trees a nuisance after storms but they are a menace to large trucks using the highways of the Everglades to haul perishable produce. Unless the State Road Department crews stay right in behind the trees at all times they grow to be a real menace to the semi-trailers—beating and framing on them as they pass under the trees in their efforts to get produce from the Glades to northern markets.

Every one of the trees in the Lake Region should be topped down to a height of not more than 12 or 14 feet. At that height they would not be toppled over by every little gust of wind that comes along. They would still serve the purpose for which they were planted—that of keeping cars out of the canal. However, some motorists have wondered which would be worse when one has a wreck—to go into the canal and take your chances of getting out—or, to smash into a tree and run the risk of a broken neck or being broken to pieces in the crash. There is argument pro and con.

Anyway, this newspaper is of the opinion that something should be done about the trees and that immediately.

TO LATE TO CLASSIFY

BY RUSSELL KAY

SECRETARY OF THE FLORIDA PRESS ASSOCIATION

Health and outdoor recreation are two of the most appealing advantages Florida has to offer the visitor and homesee. Health, energy, vitality, recreation appeal to everyone and Florida offers them in abundance.

For years Dick Pope of Beautiful Cypress Gardens has been telling the fascinating story of Florida's outdoor advantages with pictures of beautiful girls and sturdy lads featured in thrilling action shots against a background of unsurpassed scenic beauty. So vivid and alive were these pictures that editors have snapped them up and used them at every opportunity.

Practically every metropolitan newspaper in the country has used Cypress Gardens pictures; they have graced the covers of the nation's foremost magazines, trade journals and house organs. Hundreds of thousands of feet of motion picture film have been shot and every picture theatre in the country, at one time or another, has featured shorts and newsreel shots from Florida's Cypress Gardens.

Thanks to the backing of Dick Pope scores of Florida teen-age youngsters have developed from flat-footed country girls and gawky boys to charming, accomplished national and international stars.

Today the famed Aqua-Maids of Cypress Gardens are known throughout the nation and the world. At the Railroad Fair in Chicago the "Varsity Team" is stealing the show with a Water Thrill Show that is recognized as the most sensational outdoor show of the year.

Twenty-one all star Aqua-Maids are playing to capacity crowds in the great aqua-theatre and showmen witness the event rank it with Billy Rose's Aquacade at the New York World's Fair from the standpoint of thrill-packed entertainment. Four performances are staged daily and each of them vividly tell the story of health and outdoor recreation in Florida.

It is the only attraction in connection with the Fair that is not sponsored by one of the 39 railroads and yet the newspapers, magazines, radio and television stations of the Middle West are featuring the beauty and grace of these glamorous Florida aquabellies

doing their clever routines and aquamaneuvers under the guidance of Glenn Kirkpatrick who has produced the ski shows at Cypress Gardens for the last 3 years.

At Baltimore this summer, Dick Pope, Jr., won the Men's Championship in the National Water Ski Tournament for the second year, while Willa Worthington McGuire of Cypress Gardens captured the Women's Championship for the fourth time.

Bringing more glory and fame to Florida were Lois Thornhill, young blonde Junior Aqua-Maid who won the Junior Girls Championship and Buddy Boyle who smashed all records by making the longest ski jump in the world and, on top of that, placed second in the Men's Championship competition.

Immediately following their Baltimore engagement these Florida aquastars flew to Europe via Pan American Airways to compete in the International Water Ski Tournament at Juan Les Pins, France, officially representing the United States at the meet and at the same time spreading the fame of Florida and Cypress Gardens across the Atlantic. Willa won the World's Women's Championship and Dick Pope, Jr. set a new world's water ski jump record.

From France they journeyed to Milan, Italy where they gave a special Water Ski Show for the Maharajah of Dinjapur, later touring the Riviera and staging sensational shows and developing voices of publicity for the United States and Florida in particular.

Then, hurrying back to this site of the world they arrived at Toronto, Canada just in time to join other Cypress Garden stars and stage a Water Ski Show at the Canadian National Exposition from August 28 through September 10.

So Florida's Dick Pope, not content with being America's No. 1 picture wizard, has branched out into a new field to compete with Billy Rose in the production of novel and sensational outdoor shows and Florida high school boys and girls so fortunate as to be under his tutelage are becoming world famed entertainers.

In the meantime the "show goes on" at Cypress Gardens, where other eager Florida youngsters are

Stuart Opens His Own Machine Shop

An announcement in this week's paper tells of the opening of another machine shop in Canal Point under the management of C. L. Stuart, who for many years was connected with the present shop operated by the Farm Machinery Corp. Mr. Stuart has opened his shop temporarily in the old building formerly occupied by Parker Motor Service right next door to Farm Machinery. Later he plans to build a new building to serve as a home for his business.

Mr. Stuart has had 15 years experience designing and building farm machinery, having designed several types that are now in use in the Glades area. He is an expert pump builder and has designed a mole drain that works independently of the frame, thus assuring a straight mole drain regardless of how rough the ground happens to be. Mr. Stuart invites his many friends to visit him in his new location.

RESOLUTION

WHEREAS, during the recent hurricane a great amount of damage was done to the power lines and equipment of the Florida Power and Light Company and electrical service was disrupted and the residents of the Everglades section faced a situation which was not only disconcerting but was a financial threat through the loss of perishable products and

WHEREAS, the officers and employees of said Florida Power and Light Company worked ceaselessly and untiringly to restore power service and put in long hours of toil and labor and rendered services beyond the call of ordinary duties, in order that the residents of the Everglades area might not suffer irreparable damages and the services rendered by said officers and employees prevented a serious situation from existing.

NOW, THEREFORE, BE IT RESOLVED by the Rotary Club of Pahokee, Florida, in session assembled on the 9th day of September, A. D., 1949, that it does for and in behalf of its own members and in behalf of the residents of the Everglades area highly praise and commend the officers and all employees of the Florida Power and Light Company for the fine, splendid and unselfish services rendered by them, in the restoration of electrical power and current and preventing irreparable damages and great suffering and deprivation as the result of the hurricane in late August, 1949.

BE IT FURTHER RESOLVED that a copy of this Resolution be forwarded to the division officers at West Palm Beach, Florida and further that a copy be presented by a committee from this organization to Mr. P. P. deMoya, Everglades District Manager and that an expression of appreciation be made by the members of said committee at the time of presenting a copy of this Resolution to him.

ROTARY CLUB
By F. M. Shaughnessy,
President.

ATTEST: Jack Phillips,
Secretary.

David Ramey Is H. S. Member Of Lions

The relief work done by the Red Cross in this area following the recent hurricane was outlined by Miss Betty Lewis, Red Cross field worker, at the Tuesday luncheon meeting of the Pahokee Lions Club.

David Ramey, Pahokee High School senior, was received as a student member of the club for this current school year. Introduced as guests were new members of the Pahokee High School faculty including Leland Keene, Ruth Evans, Julia Beackman, Winifred Close and Mrs. Herbert Miller. Mrs. H. C. Graham was in charge of this program of entertainment.

learning the game as they stage shows daily for the thousands of visitors who visit this famed attraction.

Electric Cooler For Canal Point School

The youngsters at Canal Point school are going to have plenty of cool water to drink from here on in. Members of the Canal Point PTA were busy this week gathering in donations enough to buy an electric water cooler. The cooler cost was set up at \$199 and from the way donations were coming in Wednesday it goes without saying that the cooler will be installed the first of next week.

The PTA group of Canal Point:

doesn't overlook an opportunity to better things at the school when the need arises. Meetings of the organization, at times, aren't too well attended but when the necessity arises for something to be done—it's done and in short order. Witness the purchase of the cooler.

Dr. and Mrs. L. W. Armstrong, accompanied by their daughter-in-law, Mrs. Alvin Armstrong, and her son, Gary, of Miami, were visitors in Fort Lauderdale Tuesday.

From where I sit... by Joe Marsh

Sure You Haven't A "Blind Spot"?

As I was driving down Main Street last Saturday, another car swung out right in front of me. It turned out to be Buck Blake. He wasn't going fast. It was just that he had something else on his mind at that particular moment.

Buck's really one of the nicest fellows I've ever known. But, sometimes he gets to day-dreaming on the road. He sort of gets a "blind spot" to what's going on about him!

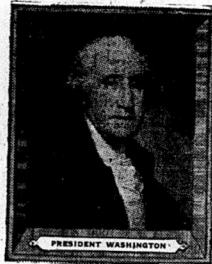

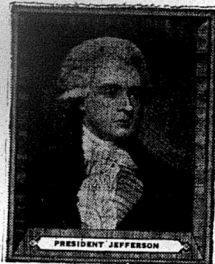

Now, lots of normally considerate folks have their "blind spots."

It could be anything from day-dreaming while driving a car to humming out loud at the movies.

From where I sit, it's mighty important to be on guard against your own "blind spots." The other fellow has a right to his "share of the road," too—whether it's having a taste for a temperate glass of sparkling beer or a desire to listen to some classical music if he wants to.

Joe Marsh

Let these 3 gentlemen send your son to college!

If you start collecting these three faces today, they can send your son to college.

For these are the faces that appear on three of the U. S. Savings Bonds. Cleveland on the \$100 bond. Jefferson on the \$50 bond. Washington on the \$25 bond.

Collect one, two, three of these bonds every payday, and you'll have the money you need (in years ahead) to send your son to college. Or take your wife on trips. The money you need to buy that house, that boat, that second car.

For the money you put into U. S. Savings Bonds has a pleasing habit of making more money for you. At the end of ten years, when Bonds mature, you'll find that you collect four dollars for every three dollars you've put aside. And since

they are backed by the government of the United States, it is the safest investment any man could make.

The most wonderful part of it all, though, is the fact that you hardly miss the money you're saving when you join one of the two Automatic Savings Bonds Plans. For these two plans are painless, completely automatic. Your bank or place of business handles all the details.

So start making good friends with those three very famous gentlemen whose pictures appear on U. S. Savings Bonds.

Ask today about the Bond-A-Month Plan or the Payroll Savings Plan. They're the simplest, surest ways ever invented to save money.

Automatic saving is sure saving— U. S. SAVINGS BONDS

The Everglades News

This is an official U. S. Treasury advertisement—prepared under auspices of Treasury Department and Advertising Council.

The Sawgrass Special

Few persons, attending the funeral Wednesday afternoon, realized the vastness of that garden at the Denton residence. Although it covers a small area behind the lake on the shores of Lake Okeechobee, it engulfs many thousands of square miles of the south-eastern United States.

Like everything else in this area—it was severely battered by the recent storm. It still represents a beauty no other garden can attain. It was maintained by a very gracious lady who looked upon all of out of doors as her garden.

She loved and lived with everything from the banks of the St. Lucie to the banks of Fishing Creek—from Highlands Hammock to the Ocala National Forest—from the Little Ocmulgee to Chesapeake Knoll in north Georgia—from Tellico Plains in the Cherokee National forest to Chimney Rocks in the Great Smokies—from Cullasaga Falls over every rhododendron and laurel-covered mountain side of the Nantahala. All this country has felt the soft tread of her footsteps, ever seeking the secrets they held. She and Mr. Denton have camped and hiked over more of these places than any other two people we have ever heard of.

She knew and loved all of the natural beauty spots in the South-eastern United States—little things from some of these places are represented in their garden.

Mother Nature and her entire family of trees, birds, shrubs and flowers bowed their heads at two o'clock Wednesday to pay their respects to a typical American Mother. One who had a greater natural understanding of things, indoors and outdoors, than any other person we have ever known.

—Sawgrass Phil.

Local Parents And Teachers In Meeting

The Canal Point Parent-Teacher Association held its first meeting in the school auditorium Monday night with Mrs. Boyd Vorhees, the new president, presiding.

The group voted to purchase a new electric drinking water fountain for the school. E. T. Smith, Boyd Vorhees and Charles Jones were named on the committee in charge of this project.

The September attendance award was won by Mrs. Marvel Griffith's third grade room. It was announced that PTA will hold a reception for the teachers following the regular meeting on the night of Oct. 3. Mrs. Huddle of Indiantown was introduced as a new member of the teaching staff.

Mrs. Vorhees introduced new chairmen of standing committees as follows: Mrs. J. W. Repper, hospitality; Rev. Earl J. Jones, program; Mrs. W. N. Veal, historian; Mrs. W. K. Buchanan, welfare; Mrs. Oscar Chastain, finance; Mrs. J. P. Parker, publicity; Mrs. W. N. Veal, membership; Mrs. Pope Sears, Halloween party. Mrs. Vorhees will act as chairman of the Christmas card sales committee.

Pines To Be Banned In City Of Ft. Pierce

FORT PIERCE — It looks like doom for the Australian pine in Fort Pierce.

The city commission has been urged to enact an ordinance prohibiting the planting of the trees, not exceeding four feet except for shrubbery and hedge in height, and to require the topping of existing trees down to a height of not more than 20 feet.

The request was made in behalf of the Fort Pierce Beach Improvement association, with the concurrence of the Chamber of Commerce board of directors.

The commission referred the matter to its attorney to see what can be worked out. Commissioners indicated accord with the suggestion.

The tall, towering and effeminate graceful giants caused more damage in the recent hurricane than all other trees put together, it appears. Despite their great mass of roots, they toppled across utility lines, streets and houses — of the score.

They're generally a pain in the neck, storm or no storm, some of the commissioners observed. They're a constant menace to utility lines and if planted along sidewalks are almost sure to raise the walks with their roots, maybe stopping up sewer lines as well.

Mrs. B. F. Branch has returned from a month's vacation spent with her son-in-law and daughter, Mr. and Mrs. T. L. Cook, in Dublin, Ga.

NOTICE OF ANNUAL MEETING OF LANDOWNERS OF EAST BEACH DRAINAGE DISTRICT

Notice is hereby given that, pursuant to call of the Board of Supervisors of East Beach Drainage District, the annual meeting of the landowners of East Beach Drainage District for the year 1949 will be held at the office of said District in the Post Office Building at Canal Point, Palm Beach County, Florida, on Wednesday, September 28, 1949 at 9:00 o'clock in the forenoon, for the purposes of:

1. Electing a Supervisor for Division 1.
2. Receiving annual reports and taking such action with respect thereto as the landowners may determine; and
3. Transacting any other business as may come before the meeting.

BOARD OF SUPERVISORS OF EAST BEACH DRAINAGE DISTRICT

By: William Bloom, President.

Pub. September 9, 16, 1949.

Start To Be Made On Flood Control

WEST PALM BEACH — Contracts for first-phase work in a \$208,000,000 flood control program are to be let within the next 60 to 70 days, it has been announced. First to be built are levees and dikes to protect Florida East Coast cities. The entire project will cover a period of 10 years and will directly benefit 17 counties.

Colonel R. W. Pearson, Jacksonville, U. S. District Engineer, said he had been advised by the chief of engineers to "commence operations in an amount totaling \$774,100." Exactly where operations will begin has not been decided, Colonel Pearson said, but "it will be for levees and dikes to protect the East Coast cities." It was previously stated that the first work done in Broward, Palm Beach and Dade counties.

W. Turner Wallis, chief engineer and secretary-treasurer of the Central and South Florida Flood Control District, said awarding of first contracts is contingent on the state matching the Federal Government's funds.

Young Ramey Named Head Of Youth Group

David Ramey was elected president of the Senior Methodist Youth Fellowship group of the Pahokee First Methodist Church at a meeting at the church Sunday evening.

Other new officers chosen were Bobby Schroder, vice president; Rita Fay Hurt, secretary; Anna Lee Hurt, treasurer; Laurie Rogers, worship and evangelism chairman; George Rozelle, Methodist Youth fund chairman; Stella Lovi Todd, missions and world friendship chairman; Louise Hatton, community service chairman, and Delorez Williams, recreation chairman.

CARD OF THANKS

We sincerely thank each and every one who offered consoling words upon the death of our loved one, Herbert Elmer Rice. We shall always remember the acts of kindness and the many beautiful floral offerings. We are deeply grateful to everyone who helped in any way to make our burden lighter.

Mrs. Bessie Rice
Charles H. Rice
Mrs. Frances Rice

500 Members Wanted For The Pahokee PTA

The Pahokee Parent-Teacher Association at the first meeting of the school year held Monday night in the school auditorium set its membership goal for the year at 500 members. Mrs. Marjorie Henderson, membership chairman, reported a total of 179 paid-up memberships at the first meeting. It was announced that PTA will award five dollars to the school room first reporting a 100 per cent PTA membership of parents and one dollar will be awarded to each room reporting 100 per cent membership before the November meeting.

The group voted to continue the same procedure as used last year to determine monthly attendance awards. The September award went to Mrs. Myrtle Brooks' first grade room at the elementary school and to the eleventh grade at the high school, Herbert Miller and Miss Constance Smith, sponsors.

Coach Clyde Alley reported that season tickets for the six home

games to be played by the Pahokee Blue Devil football team are now on sale at \$5.50 each, the tickets entitling the holder to reserved seats. Coach Clyde Alley said he had only 30 boys, mostly green material, out for practice and wasn't too optimistic about Blue Devil prospects, however, he hopes to have a team clicking before the end of the 10-game schedule.

Mrs. J. C. Shoepel, program chairman, announced that Mrs. H. C. Graham would present the September program. Mrs. Graham introduced Mrs. Horace Unwin, the new president, who delivered an address of welcome. In response Principal Clyde A. Canipe introduced the 13 teachers of the elementary school and the 15 members of the high school faculty who were present. Mrs. Unwin introduced newly appointed chairmen of standing committees. Mrs. Graham led the audience in a "get acquainted" game.

Following the program a reception for the teachers was held in the high school patio with the PTA executive board acting as host. Refreshments of punch and dainty cookies were served.

Auxiliary Points To Aims Of Its Group

Aid to war veterans and their families will occupy much of the efforts of the American Legion Auxiliary during the coming year, Mrs. Charles Maxson, rehabilitation chairman of Canal Point Unit, stated today, as enrollment of the Auxiliary membership strength for 1950 went forward.

The Auxiliary is seeking increased enrollment to help meet increasing needs among veterans and to combat movements to reduce the benefits available to veterans, and widows and orphans. Mrs. Maxson said. She urged all eligible women to give their support to this work by enrolling in the Auxiliary.

"Each year as veterans grow older, more and more of them become disabled from results of wartime wounds, exposure and illnesses," explained Mrs. Maxson. "Disabilities which could be car-

ried in the strength of youth often become more serious with advancing age, and then it is frequently too late to prove that the disabilities resulted from war service.

The Legion and Auxiliary believe that all veterans should have the protection of the government they defended and we are fighting to maintain hospitalization and adequate compensation for the disabled.

"The Auxiliary also gives direct help to veterans and their families found in need. Our own Unit here in Canal Point has helped a number of such families in the past year and we must be prepared to expand this work if employment conditions bring hardships to veterans. We hope to have the largest membership in Auxiliary history during the coming year so our strength will be equal to our responsibilities toward the men who defended the country."

Tom Thumb Group Presents Wedding

A capacity crowd greeted Maccom Millam's beautiful spectacle "The Tom Thumb Wedding", presented at the Prince Theatre, Tuesday night.

The floral arrangements by Sadie's Flower Shop were beautifully placed from the stately palms to the gorgeous basket arrangements. Violet Hall and Margaret Jones were responsible for the beautiful hair do arrangements.

Edwina Humphreys sang "I Love You Truly" to open the ceremonies and Mrs. Robina Blakey then started the wedding march.

Vicky Alley and Joyce Brown were the two lovely flower girls. Linda Hand, Effie Lou Keen, Ann Sims, Chee Chee Cate, Sharon Watson, Alice Elaine Hurt were the bridesmaids, with Joey Alderman, John Bacon, Roger Watson, David Simonson, Buddy Keen and Tommy Holden as the ushers. They marched in arm in arm with Myra

Jones, Maid of Honor, following and the beautiful bride Velma Williams and her father Johnny Smith bringing up the rear.

After the ceremony Mr. Millar presented the bridal couple and their ensemble with gifts from the merchants and the wedding cake from the Home Town Bakery and the entire ensemble were marched across the street to The Ritz for an ice cream social.

Business Passed An Uncertain Stage

ORLANDO — Florida business already has passed through one period of uncertainty which should not be continued through the special legislative session by consideration of any general bills, Walter Rose, former state senate president, said here last week.

"Florida business has just gone through 60 days of uncertainty during the regular session as to what the legislature would do. It should not have to worry about

what the special session will do," he said.

"There is no reason why the special session should take up any general legislation. It should stick to the job for which the session was called and relieve the state of this present uncertainty," Rose declared.

Meanwhile in Miami, Alex Baife, former state racing commissioner, stood strongly against introduction of the Gulfstream racing date bill at the special session.

"I'm against this extra session bringing up this race track measure because I don't think that Dade County should lose one of its industries.

"Tropical Park is a good going concern. They've done a lot to help our county, and I think that any race track bill such as has been proposed would be a discrimination," Baife said.

Clay floor and wall tile production in the first 5 months of this year was greater than the entire year's output in 1945.

Christian Science Society

CHURCH OF CHRIST, SCIENTIST

"MATTER" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, September 18.

The Golden Text is: "Tremble thou earth, at the presence of the Lord, at the presence of the God of Jacob" (Psalms 114:7).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And when Jesus was come into Peter's house, he saw his wife's mother laid, and sick of a fever. And he touched her hand, and the fever left her, and she arose, and ministered unto them" (Matt. 8:14, 15).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The Principle and proof of Christianity are discerned by spiritual sense. They are set forth in Jesus' demonstrations, which show — by his healing the sick, casting out evils, and destroying death, 'the last enemy that shall be destroyed,' — his disregard of matter and its so-called laws" (210:15).

Evening Service 7:45 p. m.
Prayer Service Wed. 7:30 p. m.
Choir Rehearsal Wed. 8:30 p. m.

A cordial invitation is extended to all who wish to worship with us. If you have no church home and enjoy the warm and friendly fellowship that will be yours immediately you enter the sanctuary. Beginning on Sunday September 18th the Woman's Society of

Christian Service will sponsor a nursery in the Sunday School building. Believing that a number of parents would attend services if they could have a place for their children, this added service is to be added. A competent attendant will be in charge each Sunday Morning. All children from infants to five years of age are to be cared for. Want you use this service, and worship God with us. See you in Church Sunday.

Audie Hooks Goes To Clewiston To Live

Audie Hooks, formerly connected with Snyder Chevrolet in Pahokee has accepted a position as Salesman with Christian Chevrolet in Clewiston. Mr. Hooks has resided in Pahokee for many years, 3 of which were spent in the armed services.

He graduated from Pahokee High School in 1941 and his many friends wish him the best of luck in his new employment. Mr. and Mrs. Hooks will move to Clewiston as soon as they sell their home in Pahokee.

Sarasota Meeting To Be Important One

ORLANDO — Production planning for the 1949-50 season will be one of the most important phases of the complex fruit and vegetable industry to be covered during the annual convention of the Florida Fruit and Vegetable Assn., in Sarasota, on Oct. 13-14, according to LaMonte Graw, FFVA manager.

"Production planning in its simplest form is the adjustment of commodity output to suit anticipated consumer demand, based on the general economic situation," Graw explained. "This involves the production of sufficient fruits and vegetables to meet consumer requirements at a fair price, with a just profit for the grower."

"Failure of the industry to plant sufficient acreage to adequately supply our markets can result in loss of these markets to competitors. On the other hand, over-production, can lead to financial loss for the grower. When demand and production are in balance, we have the ideal situation," Graw added.

Among the students returning to their studies at college this month are Miss Lois Echols, Nurses Training School, Emory University, Atlanta; Lester Hutton, Louisiana State University, Baton Rouge; Ray Hutton, University of Florida; Miss Walta Nell Hull, Florida Southern College, Lakeland; Frank Rozelle, Jr., Georgia Tech; Miss Joy Padgett, University of Florida; Donald Padgett, University of Florida; Miss Margaret Powell, Florida State University; Miss Barbara Wroten, University of Florida.

Watermelons were grown in the homestead of Hialeah's famous race track this summer in addition to the usual crop of cowpeas, velvet beans, okra and cucumbers. The racing strip is planted in vegetables off-season to prevent erosion.

Four Circles Of Garden Club Will Hold First Meetings Of Fall Season Sept. 20

The individual circles of the newly reorganized Community Garden Club will conduct their first meetings of the fall season on Tuesday, Sept. 20, according to an announcement by Mrs. H. M. McIntosh, club president. Projects for the coming year will be discussed at these meetings, the time and place to be announced by mail the circle members by the temporary chairman.

Mrs. McIntosh reports the club has been divided into the following circles: Circle One (Canal Point-Pont Mayaca) Mrs. G. L. Sims, temporary chairman, Mrs. J. S. Atkins, Mrs. J. H. Bordeaux, Mrs. M. C. Carter, Mrs. C. G. Coburn, Mrs. F. W. Cross, Mrs. O. H. Chastain, Mrs. A. H. Chastain, Mrs. Lester Duncan, Mrs. W. S. Evans, Mrs. Albert Friend, Mrs. M. D. Geiger, Mrs. D. R. Hall, Mrs. A. R. Harrington, Mrs. S. A. Nall, Mrs. Paul Rardin, Mrs. Elmo Scoggins and Mrs. W. H. Vann.

Circle 2 (C. Point-Pahokee Rd.) Mrs. Jess M. Elliott, temporary chairman, Mrs. Clyde Alley, Mrs. Max E. Beverly, Mrs. Olaf Boe, Mrs. H. L. Carter, Mrs. Parnell Enecks, Mrs. Cletus Hand, Mrs. Marjorie Henderson, Mrs. M. P. Holman, Mrs. Leslie N. Ipock, Mrs. W. H. Jones, Mrs. N. A. Kennedy, Mrs. Carl A. Kolstad, Mrs. I. M. Lair, Mrs. Rupert Mock, Mrs. C. M. Murray, Mrs. Emma Wheeler, Mrs. Duncan Padgett, Mrs. J. T. Platt, Mrs. Seth Roberts, Mrs. R. W. Sanders, Mrs. R. J. Schroder, Mrs. L. L. Shirley, Mrs. Melvin D. Spooner, Mrs. L. L. Stuckey, Mrs. E. H. Walston, Mrs. H. E. Williams and Mrs. J. H. Wilson.

Circle Three (Southeast Pahokee residential area) Mrs. Arch Blakey, temporary chairman, Mrs. T. H. Abbey, Mrs. Jean Bacon, Mrs. R. B. Boyer, Mrs. C. A. Chase, Mrs. L. M. Collins, Mrs. Louis Davis, Mrs. John A. Dulany, Mrs. Thomas Elliott, Mrs. I. J. Frasure, Jr., Mrs. Joe Kahn, Mrs. G. F. Kincaid, Mrs. Leo Maxwell, Mrs. A. E. Morgan, Mrs. Sam McKinstry, Jr., Mrs. Dick Parrish, Mrs. W. H. Rogers, Mrs. Frank Rozelle, Mrs. Sellie Anne Shipley, Mrs. R. T. Smith, Mrs. Terry L. Sellers, Mrs. Paul Tillery and Mrs. Horace Unwin.

Circle Four (Bacom Point Road) Mrs. F. M. Shaughnessy, temporary chairman, Mrs. H. J. Anderson, Mrs. O. R. Bleach, Mrs. J. S. Chastain, Mrs. J. J. Chastain, Mrs. H. J. Clause, Mrs. D. W. Cunningham, Mrs. Abe Dobrow, Mrs. W. M. DuBoise, Mrs. Frank Friend, Mrs. Lewis Friend, Mrs. C. T. Jackson, Mrs. Roy Kautz, Mrs. C. W. Kennen, Mrs. Ruth Meredith, Mrs. George M. Mead, Mrs. E. F. McIlwain, Mrs. H. M. McIntosh, Mrs. G. C. McLarty, Mrs. Frances Murphy, Mrs. John T. Pickett, Mrs. E. L. Pope, Mrs. George Ramey, Mrs. L. C. Snyder, Mrs. Paul H. Watson, Mrs. Inman W. Weeks and Mrs. L. W. Armstrong.

If any names of circle members have been omitted by error Mrs. McIntosh requests that these persons contact the temporary chairman of their circle by telephone for the time and place of meeting.

Cinematic Chatter

By Malcolm Millar

Girls and more girls—all in bathing suits—with plenty of laughs and gaiety prevailing are on deck for movie goers at the Prince Theatre, Sunday-Monday, when "The Girl From Jones Beach" moves in with Ronald Reagan, Virginia Mayo and Eddie Bracken sharing honors as stars of the piece.

The story with Reagan and Mayo furnishing the romantic angle, and comedian Eddie Bracken furnishing the comedy, aided in no little part by curvaceous Dona Drake, is about a beautiful, but demure school teacher who, it turns out, is a Jones Beach regular and possessed of the most charming figure ever seen on the sands.

Bracken, as an artist's agent, discovers her, and from that moment things begin to happen.

which make for some of the greatest laughs we have heard at the Prince Theatre in some time.

I am sure you will like this Girly-girly musical comedy in a big way.

See you at the movies—Mal.

Joker Bill Reaches Introduction Stage

TALLAHASSEE—As the special session of the legislature plunged last week into the critical problem of providing funds for the state budget, the first "joker" bill legalizing one-ball pin ball machines with "free plays" was introduced in the Senate by Sen. Walter G. Walker of Daytona Beach.

Introduction of the bill substantiated statewide predictions that special interests would attempt to use the session for their own purpose by forcing "joker" bills on horse racing dates, legalized gamb-

ling and pin ball machines before the legislators under the disguise of being revenue measures.

The move indicated these special interest forces would defy the wrath of Florida citizens and the limitations placed on the special session by Gov. Fuller Warren, who called it to solve the state's urgent financial problems.

Letting down the bars for entrance of the "joker" bills can well throw the session into a turmoil, duplicating the controversies that kept the regular session from completing its business, Tallahassee observers said.

It was widely predicted that strong attempts will be made to introduce another center of controversy, the Gulfstream racing date bill, which was defeated last spring.

W. A. Keen was a business visitor in Tampa the past week.

Americans drink more than 80 billion cups of coffee annually and have become the largest per capita consumers in the world today, according to A & P Food Stores. More than two billion pounds of coffee are consumed in this country annually.

Elks Obsequies For H. E. Rice, 78,

Funeral services for Herbert Elmer Rice, 78, of Pahokee were held at the Elks Home, Pahokee BPOE Lodge 1638, Sunday at 3 p. m., with James W. Vann, exalted ruler of the lodge, presiding. The Rev. A. J. Lively of Sebring, former pastor of the Pahokee Episcopal Church of the Holy Nativity and former chaplain of Lodge 1638, officiated at the services.

Mr. Rice, who had been of ill health for several years, died early Friday morning at his home, apparently in his sleep. Born in Massachusetts, he came to Florida in 1919, settling in West Palm Beach then moved in 1929 to Pahokee where he operated a general mercantile store. He was a charter member of Pahokee BPOE Lodge 1638 in which he was elected to high offices. He also was a member of the IOOF Lodge in Pittsfield, Mass.

Survivors include his wife, Mrs. Beattie Rice, a son, Charles Rice, both of Pahokee; a sister, Mrs. David Allen, Upland, Calif., and three brothers, Howard Rice, Willimatic, Conn., Fred and Arthur Rice, both of Pittsburg, Mass. Pallbearers were E. L. Pope, Tolly Youngblood, Frank O'Connell, Harold Rosenberg, O. R. Bleech and Thadd Whidden.

Burial was at Woodlawn Cemetery in West Palm Beach. Berry's Funeral Home was in charge of Arrangements.

Terry Sellers Back After Appendectomy

A familiar face was back on the streets of Pahokee this week when Terry Sellers, Southern Railway Commercial Agent, returned from Good Samaritan Hospital in West Palm Beach where he underwent an appendectomy. Terry lost 18 pounds after the operation on Sept. 2, but soon will be back on his regular feed again. In fact, some of his many friends, say that the loss of said 18 pounds enhanced his handsomeness.

Rabin Is Mayor Of —

(cont. from page 1)
Justice George Williams, Messrs. Lloyd and Harris were re-elected and Mr. Collins elected for the first time.

Frank Dooley and Mayor Rabin were the hold-over members. Mr. Collins defeated A. J. Richmond by a vote of 240 to 183 while Mr. Lloyd defeated his opponent, O. F. Thomas by a vote of 218 to 197. Mr. Harris was unopposed.

City Attorney Herbert D. Beck, after serving the city for 15 years, tendered his resignation effective Sept. 30. It was accepted by the council. During the past two years the city attorney's job has paid \$2500 annually. In the coming year's budget the council set up a maximum amount of \$1800 for the attorney's job.

City Clerk A. L. Wallis has, through the years, also served as tax assessor and tax collector. At Wednesday night's meeting by resolution the jobs of tax assessor and tax collector were officially added to the city clerk's office. Mr. Wallis has served efficiently for many years as clerk to the council and will, in all probability, be renamed to that job when the official appointments are made.

Commissioners were named to committees as follows: W. L. Collins, building and sanitation; Frank Dooley, parks and fire department; Mayor Rabin, police; R. D. Lloyd, waterworks; Junius Harris, streets and sidewalks.

Ralph Chaney Named Future Farmer Head

Ralph Chaney was elected president of the Pahokee Chapter, Future Farmers of America, at the annual election held Wednesday at the high school.

Other officers chosen for the current school year were Jacob Weeks, vice president; Sidney Caruthers, secretary; and Danny Mulis, sentinel. The chapter treasurer and reporter will be elected at the regular meeting Monday evening, Sept. 19.

The chapter voted to send a delegate to the FFA National Convention in Kansas City, Kans., Oct. 9-16. It was announced that each of the 125 FFA chapters in Florida will send one or more delegates to the National Convention, all to travel on a special Atlantic Coast Line train to be named the Doyle Conner Special in honor of the retiring president of the National FFA Organization Doyle Conner of Starke, Fla.

Mr. and Mrs. Boyd Vorhees had as guests the past weekend his brother-in-law and sister, Mr. and Mrs. D. P. Jones of West Palm Beach.

Mrs. Glynn Carr and daughter, Glynda Kay, have returned from a visit with her aunt, Mrs. J. Ward Clark, in Cleveland.

RESOLUTION CALLING ELECTION
WHEREAS, there is need for more adequate drainage and water control in the East Beach Water Control District, and
WHEREAS, Chapter 25347, Laws of Florida, Acts of 1949, and Chapter 103, Statutes of Florida, 1941, authorized the holding of elections to determine whether or not there should be issued negotiable bonds not to exceed \$248,000.00 for the purpose of providing funds for the construction or acquisition of works and facilities for controlling water in the East Beach Water Control District, now therefore
BE IT RESOLVED By the Board of Supervisors of the East Beach Water Control District:

Section 1. Pursuant to Chapter 25347, Laws of Florida, Acts of 1949, and Chapter 103, Statutes of Florida, 1941, an election is hereby called for the purpose of authorizing the issuance of negotiable bonds of this District in an amount not to exceed \$248,000.00 for the purpose of providing funds for the construction or acquisition of works and facilities for controlling water in this District.

Section 2. Said election shall be held on the 11th day of October, 1949.

Section 3. All persons who are freeholders and who are registered and qualified to vote in this District are hereby notified that said election will be held at said time.

Section 4. The polling place or voting in said election shall be at The City Hall in Pahokee, Florida.

This Resolution passed and adopted this 30th day of August, 1949.

Wm. Bloom, Chairman

H. J. Anderson

Roy Vandegrift

Board Members.

Harold Rosenberg, Secretary.

Pub.: Sept. 2, 9, 15, and 23, 1949.

Funeral Services For Mrs. Denton

Funeral services for Mrs. Hille Gist Denton, 57, of Pahokee were held in the garden of the Denton home on Bacom Point Road Wednesday at 2 p. m., with Rev. Ralph W. Todd, pastor of the Pahokee First Methodist Church officiating.

Mrs. Denton died at the Orange General Hospital in Orlando Monday night, Sept. 12, following a long illness. Born in Era, Texas in 1892. She was one of the pioneer women of Pahokee, coming to the Glades in 1921, and for many years was very active in civic affairs.

She was a past president of the Pahokee Woman's Club, past matron of Pahokee Chapter 184, Order of Eastern Star, past president of the Home Demonstration Club and for years was active in garden club and girl scout work.

She is survived by her husband, V. C. Denton of Pahokee; two sons, Major V. C. Denton, Jr., of Shreveport, La., and Vance Denton of Port Arthur, Texas; stepfather and mother, Mr. and Mrs. J. M. Templeton, of South Bay; three brothers, J. V. Gist, Altamonte, Springs, Fla., R. B. Gist, Canyon, Texas, and Dr. R. D. Gist, Amarillo, Texas, and one grandchild.

Pallbearers were Thadd Whidden, A. Q. Howell, Mike Hoperien, J. V. Thomas, Jack Phillips and Frank Hobson.

Graveside services were conducted at the Port Mayaca Cemetery by the Pahokee Chapter 184, Order of Eastern Star. Berry's Funeral Home was in charge of arrangements.

Mrs. Eva Keen returned to her home in Canal Point the first of the week after taking her son, Clarence Padgett, to Gainesville where he entered the University of Florida for the new term.

Mrs. Harrington Head Mission Chain Unit

Mrs. A. R. Harrington was elected president of the local unit of the Florida Chain of Missions at a meeting in Canal Point Tuesday.

Other officers chosen were Mrs. Norman Kennedy, first vice president; Mrs. O. R. Bleech, second vice president; Mrs. Earl J. Jones, secretary; Mrs. C. L. Shirley, treasurer; Mrs. Curtis Chase, Mrs. Louis Davis and Mrs. F. M. Wilson, denominational vice chairmen. Named on the nominating committee for next year were Mrs. C. T. Jackson, chairman, Mrs. G. L. Sims and Mrs. John A. Dulany.

It was announced that the assembly will meet at the Pahokee First Methodist Church Feb. 8-10.

The many friends of J. P. "Dodo" Parker will be glad to know that he is showing improvement at the Good Samaritan Hospital in West Palm Beach where he recently underwent an operation for an infected ear. "Dodo" has been seriously ill but during the past couple of days is on the mend.
